

Make a Smart Investment

Join the growing list of Associations who chose a long-life, stone-coated steel Metro roof.

Metro Roof Products offers the right look to suit practically any architecture. The rustic warmth of Metro Shake, with its unique batten-less design, or the timeless mediterranean beauty of Roman Tile are lightweight (1.5lbs / sq.ft) and fire resistant. A Metro roof system provides an excellent return on your association's investment.

All Metro panels are engineered to exacting standards and offer a complimentary line of stone-coated accessories for fast installs and weather-tight security.

Metro Roof Products backs every panel with a heavy-duty warranty covering 120 m.p.h. winds, hail impact and fire resistance.

Choose Metro Roof Products for your community.
